Dear Sir,

Will you please refer to your letter No.74/51-52 dated 6th April, 1951 addressed to Dr.V. Subrahmanyan, regarding some fruits and vegetable products? The material was sent ~~to~~ for trial and opinion from you and the Palace and not for sale. However, as you have returned practically the whole stock untried, the few items retained by you have been treated as free issue.

Yours sincerely,

(A.W. de Souza).

H.S. Mallaraj Urs, Esq., B.A.,
Asst. Secretary on the Personal Staff -
of H.H. the Maharaja of Mysore,
The Palace,
MYSORE.

Dear Mr. Mallaraj Urs,

I hasten to reply to your letter of even date regarding the fruits which you had sent to me. They belong to the Ficus species and closely allied to the common tree fig. The fruits can be eaten, but unlike the common edible fig, they contain a fair amount of fibrous matter.

We do not know whether the fruits are available in fairly large quantities, but if you can kindly spare about 20 lbs., we will prepare some processed products ~~of~~ out of it and will also send you the specimens.

Thanking you for kind early action and advice,

Yours sincerely,

(V.Subrahmanyan).

H.S.Mallaraj Urs, Esq., B.A.,
Asst. Secretary to the Personal
Staff of H.H. the Maharaja of
Mysore, The Palace, MYSORE.
